## Message from the Chair

Firstly, I'd like to take this opportunity to wish everyone a happy and prosperous new year, and say a special thank you to Katherine for organising a fabulous Christmas party at Chewton Place.

This is my first opportunity to welcome all the new players into the club. I hope you are enjoying taking part in playing, training and the social events that are taking place.

We are halfway through the season now and I have received good feedback from captains regarding the training from Andy. However, numbers at training are sometimes very poor. Remember, training is there to benefit you and also the team you play in, especially as the ladies' teams now train in squads.

Finally, I'd like to wish all teams the very best of luck for the remainder of the season and ask everyone to continue their support of the club and of each other.

## Keynsham & Saltford Sports Network

This network involves local sports clubs, community sports organisations and schools. It seeks to develop involvement and enjoyment of sport in Keynsham & Saltford

Its aims are

- to develop a network of clubs that effectively share ideas, capacity & expertise.
- To celebrate & promote the role of sport & sports clubs within the locality
- To access additional resources, training & funding for local sports clubs

Fry's Hockey Club are looking for 2 volunteers to attend these network meetings.

The volunteers would be expected to attend the meetings, build relationships with other clubs and organisations and feedback relevant information to the committee .

The next meeting will be held at Keynsham Football Club at 7:30pm on Thursday 28th January.

Are you interested in attending these meetings? Email Joyce Pickard for more information.

## Mixed Hockey

Mixed hockey has been going strong since the beginning of the season. We play nearly every Sunday in any state that we turn up in! A big thank you to everyone who has played for us. Always in good spirits - lose, draw and even some wins. Also thanks to James Clifford for umpiring. We are always looking for players. If you are interested contact Deb on 07976232118.

## Skittles Evening

The skittles evening will be held on Saturday 27th February, 7:30pm at Fry's. This is a family event so everyone welcome. Tickets will be available from your captains.

Captains will be collecting raffle prizes from players, so its time to splash some cash!!
